2022 Holiday Giving Program

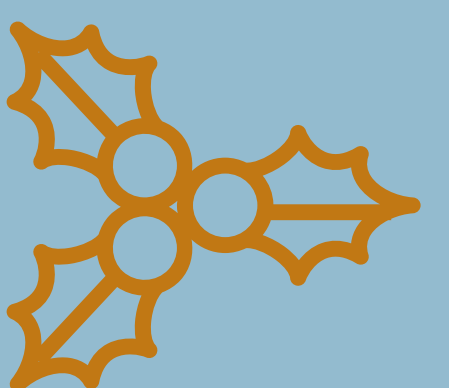

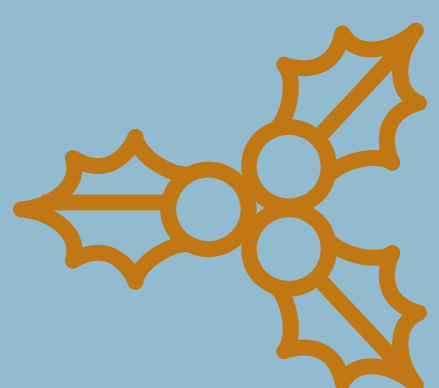

As we enter this Holiday Season, most of us look forward to a joyful time with family and friends, but for many less fortunate households, the holiday season is one of the most difficult times of the year. This year TCAA will once again be holding a drive-through event for our participants.

We will offer gift cards to **Target** for 700 adults, children, and seniors. Participants of TCAA programs will receive gift cards for each family member valued at **\$25 each**.

Please consider making a donation towards this effort. Select the number of individuals you, your family, or your company would like to sponsor and make your contribution in increments of \$25 per individual. The deadline for donating gift cards is December 5th.

If you, your family, or your company would like to sponsor one or more individuals, please contact Joe Rivera, Director of Philanthropy at joer@tempeaction.org
