

HELP WITH HOUSEHOLD BILLS FREQUENTLY ASKED QUESTIONS

Q: How do I know if I qualify for the special emergency rental assistance?

A: TCAA has new special funding for renters living in low- and moderate-income households in Tempe and Fountain Hills. Eligibility conditions include, but are not limited to:

Priority is given to low-income households and households with one or more members who are unemployed for 90 days or longer.

Q. What are the income guidelines?

A. To qualify, the household must be living at or below **80%** of the Area Median Income (AMI). Special consideration is given to households at **50%** of the Area Median Income. For example, 50% AMI for a family of three equates to \$35,050 or less.

- employer reduced work hours
- business closure
- reduced work hours due to need to care for child or disabled/vulnerable adult unable to care for themselves
- reduced work hours due to COVID-19 illness requiring self-quarantine
- loss of income due to a job offer that was made prior to the pandemic and then withdrawn due to the pandemic

It also includes increased household expenses due to COVID-19 such as unexpected increase in daycare, or medical expenses, or (if you are age 65 or older) increased basic living expenses.

- direct tenants to TCAA if they have questions regarding their eligibility for rent and utility assistance

Q. What else do landlords need to know?

A. If submitting on behalf of a tenant, Landlords must provide the Landlord Application on Tenant Behalf, which must be signed by the landlord and the tenant. (download at www.tempeaction.org/helpwithbills).

Landlords must also provide a W-9 Form (download at www.tempeaction.org/helpwithbills) OR register as a vendor with Maricopa County in lieu of submitting a W-9.

Q. I received emergency rent or utility assistance from TCAA in the past 12 months. Am I eligible to apply for these special funds?

A. Yes.

Q. How are my rent and utility bills paid?

A. Payments will be distributed by our partner Maricopa County after they have confirmed that you are eligible. Payments are made directly to landlords or property managers and to the utility companies – not to the tenant.
