Internship with HandsOn Vista TCAA Job Description

Purpose:

Serve with the Tempe Community Action Agency as a part of the HandsOn VISTA Team! To learn more ABOUT THE SITE AND THE ROLE: see 'Members Duties' below. About HandsOn Greater Phoenix: For over 30 years, HandsOn Greater Phoenix has worked with nonprofits, Title I schools, neighborhood associations and government entities to assess and meet the volunteer needs of the Greater Phoenix area. The HandsOn VISTA program supports members at multiple placement sites across the valley. Our VISTA members enable our community service partners to expand capacity and build infrastructure by creating the processes and tools needed to effectively access and utilize valuable resources.

HandsOn VISTA members will improve capacity for leading communities during and beyond their terms of service by developing their knowledge, skills, and abilities related to volunteering, civic engagement, and other areas. In addition to the site-specific work of the individual role, all of our VISTA members: participate in 2 AmeriCorps Days of Service to observe volunteer engagement practices, gain leadership skills at 2 HandsOn community service days, attend monthly VISTA team trainings with the other HandsOn VISTA members, and partake in volunteer leadership training and monthly activities to develop a greater understanding of volunteer management and poverty alleviation strategies.
