Good Food.
Great Company.
Meaningful Impact.

Join us for an unforgettable evening in support of Tempe Community Action Agency. Vicinity brings together community leaders, local businesses and friends of TCAA for a fun evening featuring small bites from favorite local restaurants, live music, an exciting auction and paddle raise, and inspiring stories of community impact. **Every bite, bid and partnership helps TCAA provide food, housing stability, and other essential services to our neighbors.**

INVEST IN What Matters

VICINITY sponsorship is an opportunity to put your company behind a cause that matters while connecting your brand with engaged guests, community business leaders, and TCAA supporters.

CHOOSE YOUR IMPACT. BUILD YOUR LEGACY.

Every VICINITY sponsorship directly supports TCAA's work to strengthen individuals and families across our community.

Your investment can help provide access to nutritous food, safe and stable housing, health and wellness services, and other resources that help our neighbors move toward greater stability and independence.
