# HEAT RELIEF ITEMS DRIVE

Arizona summers can be dangerous—especially for people living without shelter. You can help protect our most vulnerable neighbors by donating items that offer relief, comfort, and hydration in extreme heat.

Another great way to help is by **hosting a water drive**. Bottled water is one of the most urgent needs during the summer months. Whether it's a case or a truckload, your donation helps someone stay safe and hydrated.

## What We're Looking For:

- Refillable water bottles
- Electrolyte drink packets (Gatorade, Propel, Liquid I.V., etc.)
- Sunscreen (travel size or full size)
- Lip balm with SPF
- Cooling towels or neck wraps
- Baseball caps or wide-brimmed hats
- Sunglasses
- Disposable Ice Packs
- Light Drawstring Bags

## Where to Donate:

### Drop-off Location

2146 E Apache Blvd.  
Tempe, AZ 85281  
(408) 422-8922 ext. 5882

**We may have some  
availability to pick-up large  
donations. To schedule:**

KatieJ@TempeAction.org

## No time to shop?

Every \$20 helps us assemble a Heat Relief Kit filled with lifesaving summer essentials for someone facing the Arizona heat without shelter.

**Scan to donate online.**
